ABOUT THE "MOTOR-VATOR"...

The "Motor-Vator" is no ordinary man, which is evident in his positive energy and confidence. People who know him say his energy is contagious. For most of his professional life, The "Motor-Vator" has been passionate about helping those who are struggling in their career, business and personal goals. He is a mentor and Motor-Vator to many who have been blessed to know him. His journey as a professional speaker and Motor-Vator began in the automotive sales industry 23 years ago. It is here where he has become a top salesman and leader in the auto sales industry. Early in his journey, he had a burning desire to be the best and to succeed beyond the normal. The "Motor-Vator" began putting a plan in place and invested his time and energy in educating himself on the many aspects of sales and leadership. His passion for working his plan led to him reaching the level of success he has achieved today. Taking a quote from his book, "failure is not an option for me".
